Bassoon Stolen at 12pm 13 April, 2022

Stolen from my rental car at Marina Green. It was in the original GEWA case. Likely discarded by the primary burglars on Hampshire street between Mariposa and 18th street on the east side of the street. It was most likely picked up by someone else thereafter. I expect it to be in only its original hard case, whose handle and right latch are in disrepair. The bassoon itself is red with hues of pink (shown in LEFT PHOTO).
